Authentication with employee email address

If you have selected authentication with your personal employee email address, a pop-up window opens for you to enter your email address.
So if you have a valid employee email address, you can continue by clicking on **Next.**
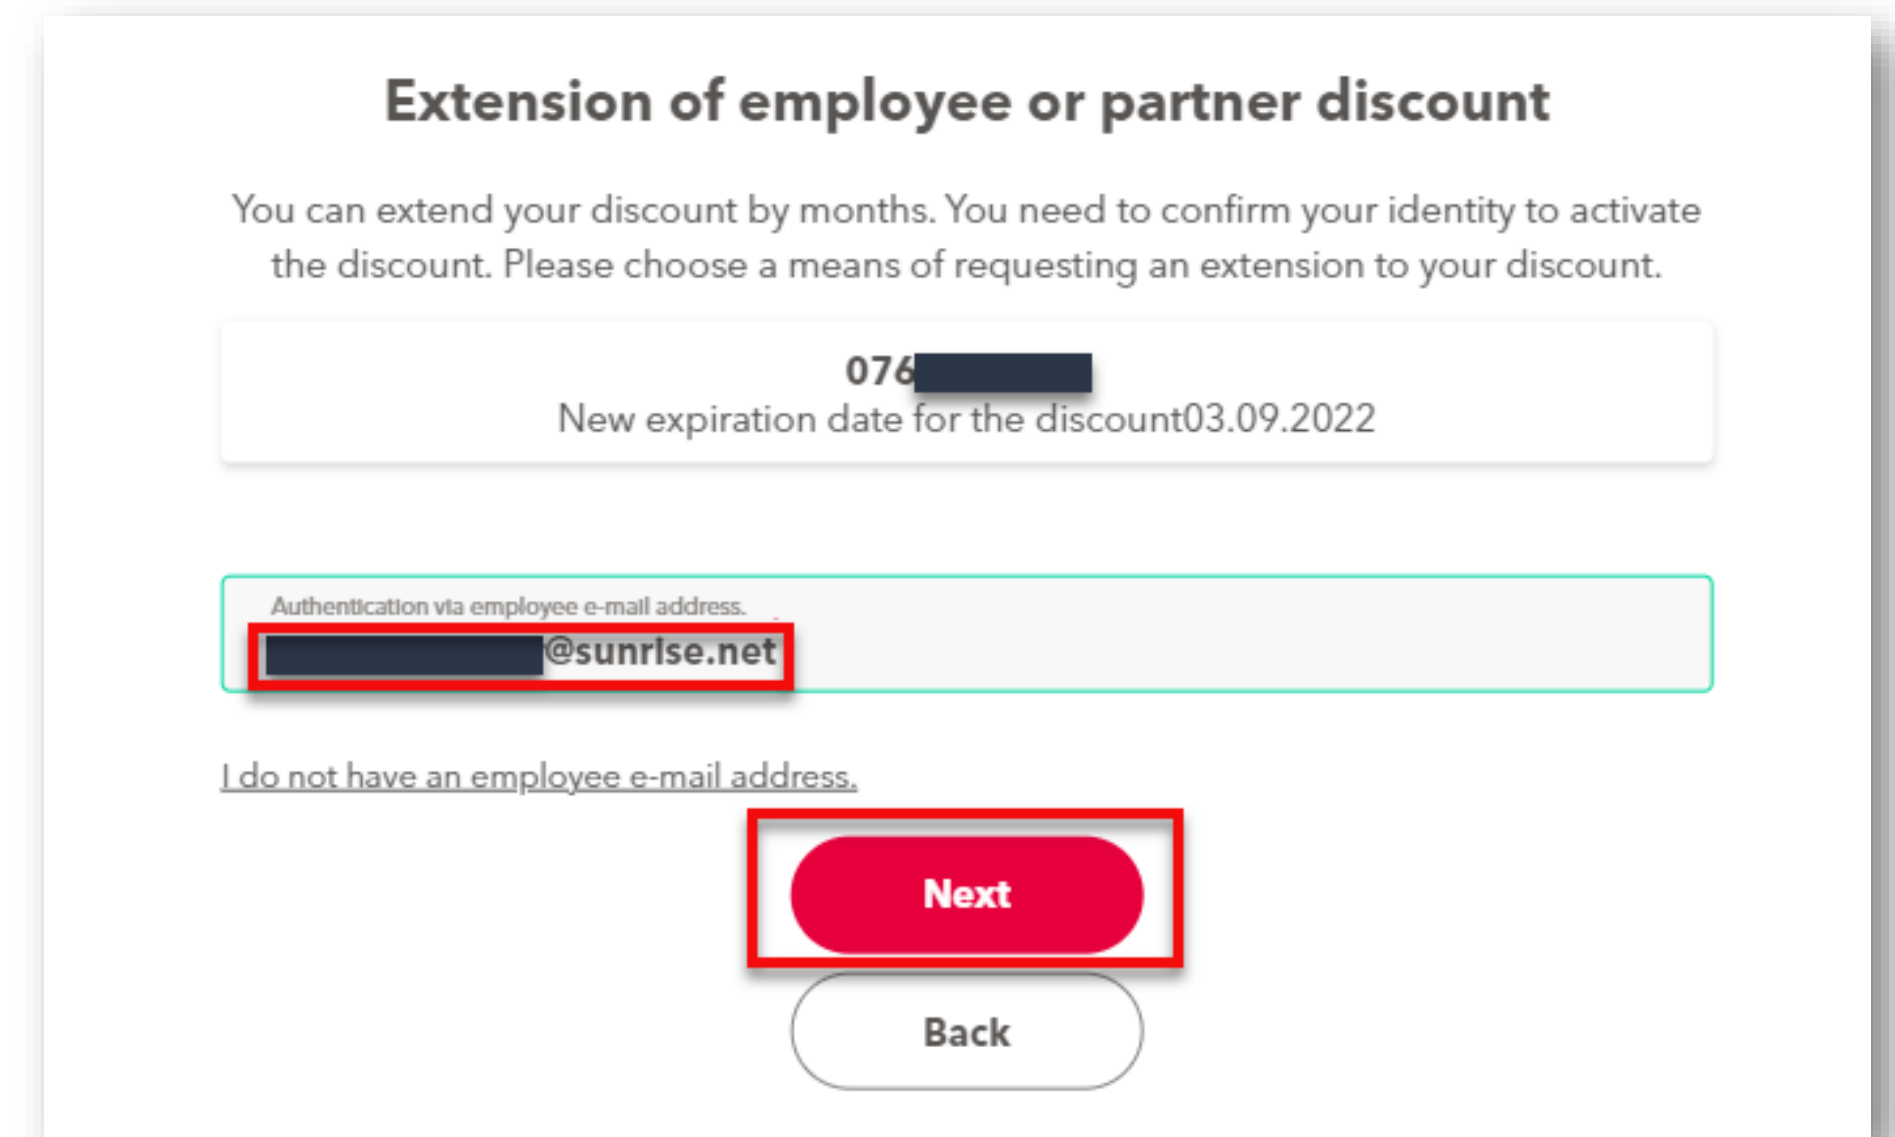

Note
Don't repeat this process twice (the process takes a moment)

You will receive a confirmation by email within a few minutes.
To complete the renewal process, please follow the further instructions in the email.

After the renewal process the new expiration date for the discount is not displayed immediately in My Sunrise . It is only visible once the foreseen contract end date has been reached.

Therefore please do not start the renewal process again once you have received a positive confirmation by email.
