

WiFi Tower: Your mobile Internet.

Simply take it with you, set it up, and go online no matter where you are.

The perfect option for all employees at your company who work away from the office and need access to the Internet from any location. Whether you use it for a temporary office during events, as a controller at customer locations, or as an architect at construction sites: With a WiFi Tower and Sunrise mobile internet, you can work and surf anywhere and anytime in the best network in Switzerland.
