Sea & Air: Satellite roaming

Cruise ships and planes sometimes provide coverage via mobile networks. These networks are often operated over satellite connections, although the device displays the name of a regular mobile phone provider, such as Vodafone Malta. Satellite connections are always more expensive than regular mobile phone connections. Calls to the country of your choice (landline network & mobile): CHF 4.80/min., Incoming calls: CHF 4.80/min., SMS: CHF 0.50/SMS. Mobile Internet via satellite connection is blocked.
