	Special usages
Special and short numbers	Calls made from the roaming country to normal special and short numbers within the country, including value-added services, are charged at the standard rate and not included in the roaming options.
Toll-free numbers	Calls made from a foreign country to "toll-free numbers" in the same country or another country are charged at a higher rate for special numbers and are not included in the roaming options.
Satellite roaming	Roaming over satellite connections, such as in airplanes and on cruise ships, is not included in the roaming options and is charged at the standard roaming rate (satellite roaming).
Forwarding to the Sunrise mailbox	Free
Call forwarding	When a call is forwarded from a roaming country in Region 1 (e.g. to a landline in Switzerland), both the incoming call and the forwarded outgoing call are included in the roaming options.
Listening to voice messages	Free
	Use
Available for	Business entry, Business swiss start, Business, swiss calls, Business Swiss unlimited, Business swiss neighbors, Business europe & US, Business world.
Registration	<ul style="list-style-type: none"> <li>cockpit.sunrise.ch (free access worldwide)</li> <li>sunrise.ch/mySunrise (depending on the subscription type and customer segment)</li> <li>Through your personal customer consultant</li> <li>Call center: 0800 555 554</li> </ul>
Duration for activation on certain date	<p>The activation date can be set for a certain date within a maximum of 3 months after purchase (e.g. the date the trip starts). In this case, the option will be activated at 12:01 a.m. on the desired date and end automatically at midnight of the 7th or 30th day.</p> <p>The option expires if it is not activated within 3 months.</p>

Use	
Duration for immediate activation	If it is activated immediately, the option ends automatically at midnight on the 7th or 30th day.
Renewal	No automatic renewal
Time zone	Activation, deactivation, and duration of use are always executed based on the Swiss time zone. Pay attention to time differences.
Exceeding data volume	<p>If you use up all of your included data volume before the duration of use is over, the data used from then until the end of the duration of use will be billed at the standard roaming rate.</p> <p>To keep costs under control, additional data usage after the option expires can be blocked in <a href="http://cockpit.sunrise.ch">cockpit.sunrise.ch</a>.</p>
Further options	It is not possible to subscribe to multiple Travel days roaming options at the same time. If a new option is booked during the duration period of another option, the first option will be automatically deactivated. Any unused included credit belonging to the first option will expire.
Added data volume	Data volume can be increased anytime at an affordable price with Travel data options.
Payment methods	<p>Payment via Sunrise bill or credit card is available.</p> <p>Both payment methods can be configured individually or together on the company level (customer number) through Sunrise and are then available to users in the Roaming Cockpit:</p> <ul style="list-style-type: none"> <li>• Only Sunrise bill (standard setting)</li> <li>• Only credit card</li> <li>• Choose payment via credit card or on a Sunrise bill</li> </ul> <p>Paying via credit card makes it possible to separate private and business use with corresponding billing to the company (Sunrise bill) for business use or purchase of roaming options with credit card payment for private use abroad.</p>
Miscellaneous	
Data billing increments	Region 1: in 100 KB increments. Every partially used unit is billed as a full unit.
