

## Sunrise for OBI.

Thanks to Sunrise, OBI Switzerland orders goods centrally in a secure and efficient process, and thus increases productivity.

### Customer

OBI entered the Swiss market in 1999 with the opening of the first OBI store in Basel together with the Migros Basel cooperative. Thanks to its powerful growth together with the Migros cooperatives in Aare, Basel, Eastern Switzerland, Ticino, Vaud and Zurich, OBI now employs over 600 employees in 11 OBI construction and DIY stores in Switzerland.

### Requirements

#### Logistics and efficiency

Logistics and efficiency via data line and Internet connections to accommodate the central processing of all administration at the Swiss head office in Schaffhausen.

#### Data infrastructure

Secure and reliable data infrastructure at the highest cost-benefit ratio possible for communication between the head office in Wermelskirchen, Germany, the Swiss head office in Schaffhausen, and the 11 locations in Switzerland.

#### Landline and mobile telephony

Landline and mobile telephony for smooth communication via the landline network or via mobile phones between the individual locations and employees on the road.

#### Mobile working

Employees who are on the road in Switzerland or in Germany need a connection to the office at all times via phone and the Internet.

#### Qualified support

Dedicated technical support with a single point of contact. Everything from one source.

### Solution

#### Sunrise Managed Internet Services

OBI obtains redundant data lines from Sunrise that connect the entire branch network to the head office. Sunrise Managed Internet Services provide a completely secure Internet line for business-critical and sensitive data from OBI's stores such as product orders and cash systems.

#### Sunrise data lines

The inventory control system at the OBI stores runs on the secure Sunrise backbone.

#### Internet connection

The managed connection to the Internet ensures secure and uninterrupted data traffic around the clock.

#### Mobile calling to other countries and when abroad

With Business swiss neighbors, our flexible mobile subscription, OBI employees call and surf at a flat rate in all neighboring countries.

#### Customer benefits

- Increases in productivity and security
- Efficient logistics
- Free internal phone calls thanks to the combination of landline and mobile telephony. From mobile to mobile and landline to mobile and vice versa
- Inexpensive calls to and from other countries with Business swiss neighbors, the flexible mobile subscription
- Secure data lines thanks to the Sunrise Internet backbone
- Dedicated support with a single point of contact

However large or small your company is, you have a competent partner in Sunrise, where you can always find the right products and services for your needs. **We'd like to invite you to schedule a personal meeting with us so that we can learn more about your needs and provide you with a customized offer.** We look forward to hearing from you.
