cost*

Integrate your company landline
number into Microsoft Teams.

Make sure you're available on any device with your company landline number.

With our cloud-based calling solution and a connection to Microsoft Teams, you and your employees can use your company landline number on any device and take advantage of the many benefits of more efficient collaboration:

Flexible calling

Use your company landline number on your mobile, laptop, and tablet

Borderless collaboration

Video conferences, chatting, data exchange, and document editing

Work from anywhere and on any device

File access from wherever you are

Secure data storage

Your data are securely stored on a Microsoft cloud server

High savings

No infrastructure costs and flexible license management

Professional installation and 24/7 support

Thanks to our Work Smart specialists

Switch for free and without time-consuming installation until 31.7.

Integrate your company landline number into Microsoft Teams, **without any on-site installation.**

Until July 31, 2020, Sunrise covers the connection and installation costs of up to CHF 1950.-.

For more details, go to sunrise.ch/teams or call us at 058 777 05 77.

* The free installation is offered until 31.7.2020. This includes the activation costs for the SBV Cloud Connect calling solution with a value of CHF 650.- (12 months minimum contract duration) and connection to Microsoft Teams with a value of CHF 650.- up to 1950.-. Installations without granting Microsoft 365 Admin rights to Sunrise might incur higher costs for professional services. There is a charge for additional effort. Subject to change. The following are excluded from the promotion: Microsoft Office licenses, individual assignment of phone numbers, as well as configuration of the calling features and further expenses by the Professional Services team.
