	Qualifying devices, trade-in device
Qualifying devices	<p>Sunrise specifies which iPhone model(s) qualify for this option. For more information on this, go to sunrise.ch or visit any Sunrise shop.</p> <p>The customer does not necessarily have to return the identical device they purchased with the Sunrise device plan. They can also return another device of the same model, as long as it qualifies for the option.</p> <p>Sunrise reserves the right to change the list of qualifying devices.</p>
Condition of the device to be returned:	<p>The device to be returned must be in undamaged condition, and it must include all accessories. The following criteria apply:</p> <ol style="list-style-type: none"> 1. The device must function flawlessly, including the display, touchscreen, sockets and interfaces, and all movable parts, such as buttons and switches 2. The device must not have any internal or external damage, especially to the display, housing and camera lens. Damage includes breaks, deep scratches, abrasions, dents, bumps, bending, discoloration, and adhesive residue. Usual signs of wear, including small scratches, are not considered to be damage.

3. The accessories must be returned in complete and undamaged condition: battery charger & USB cable
4. The device must not have had unauthorized repairs, and it must not have been opened; this includes jailbreaking. Unauthorized repairs include those you do yourself and those performed by a repair facility not authorized by Apple.
5. The customer must completely delete all data on the device to be returned and re-set it to its factory settings. It is imperative that the "Find My iPhone" feature be deactivated before restoring factory settings.
6. Sunrise does not accept any liability for data that has not been deleted.

The decision on whether the device to be traded in complies with the above-stated criteria is at the discretion of Sunrise.

Contract duration

Activation	The option is automatically activated when the customer signs up for a new 30-month device plan with a qualifying device. The option cannot be activated at a later date. A device plan may only be purchased together with a new or current Sunrise or Sunrise Freedom Young subscription.
Duration	The option is valid up to the end of the device plan. When signing up for a new device plan, the option must be reactivated.

Miscellaneous

Insurance	Devices to be returned may not be damaged and, if necessary, must be repaired by an Apple-authorized shop before being returned. To avoid unwelcome costs due to damage, we recommend our Sunrise smart protect insurance. It covers damage caused by sudden or unexpected external factors (shock, impact, pressure, fire, heat, water, moisture) that result in the device no longer operating as intended. The current general insurance terms and conditions of the insurer apply.
Legal matters	The option does not give the customer any right to return the device or to have the remaining monthly installments waived. Sunrise accepts devices back only when they fulfill all conditions. Sunrise may revoke this free option at any time.
