## **Benvenuto in Sunrise TV**

Grazie a questa panoramica potrà trovare i suoi canali preferiti in modo semplice e veloce. L'indice a pagina 4 di questo documento PDF indica quali pagine del documento sono rilevanti per lei in base ai pacchetti Sunrise TV start, TV comfort e TV neo e ai pacchetti premium aggiuntivi da lei prenotati.

Nell'indice è possibile cliccare sulle pagine con le liste dei canali desiderati – classificati per nome o in ordine alfabetico – oppure stampare direttamente le pagine per lei rilevanti.

## Guida per stampare

### Se ha aperto questo documento PDF con Adobe Acrobat Reader:

Nella barra degli strumenti di Acrobat Reader sui comandi del menu clicchi su «File > Stampa».

### Se ha aperto il documento PDF con un browser Internet (Chrome, Firefox, Edge, Safari...):

Clicchi sull'icona della stampante nella barra degli strumenti o nella parte superiore della finestra del suo browser (a seconda del tipo di browser) o sui comandi del menu «File > Stampa».

In entrambi i casi si aprirà la finestra di dialogo per la stampa. Qui, nella sezione «**Pagine da stampare**» è possibile selezionare se si desidera stampare tutte le pagine del documento o **solo determinate pagine**. Per stampare solo alcune pagine, **clicchi l'opzione «Pagine»**. **Nel vicino campo di testo relativo** ai numeri di pagina, inserisca le pagine **che le interessano** in base all'indice: ad esempio, 6-10 per stampare solo l'elenco dei canali per il pacchetto TV start, ordinati per numero di canale.

Se vuole stampare le liste per i pacchetti premium, ripeta la procedura specificando i numeri di pagina corrispondenti.

## Legenda

**Comeback TV** consente di guardare i programmi TV fino a sette giorni dopo la loro messa in onda (30 ore per TV start). Inoltre, con Comeback TV può riavviare la trasmissione, metterla in pausa oppure riprenderla o mandarla indietro.

**HD** è l'acronimo di High Definition («alta definizione») e indica programmi televisivi e video in alta risoluzione.

Grazie alla nuova **app Sunrise TV**, Sunrise TV è sempre con lei. Insieme a tutto ciò che rende la nuova Sunrise Smart TV veramente speciale: Live TV in HD, Comeback TV, consigli per i programmi, lista dei canali e tutte le registrazioni nel cloud. Per i clienti con un abbonamento di telefonia mobile Sunrise, il volume dati utilizzato dall'app Sunrise TV in Svizzera è incluso.

### Pagine 4-8

Cliccando sui termini sottolineati, si accede ai rispettivi capitoli o a pagine web esterne per ulteriori informazioni.
