Welcome to Sunrise TV

This overview will help you find your favourite channels quickly and easily. The table of contents on page 4 of this PDF document shows you which pages of the document are relevant to you – depending on which of the Sunrise TV packages (TV start, TV comfort, and TV neo) and which additional premium packages you have subscribed to.

You can click in the table of contents to go to the pages with the desired station lists – sorted by station name or alphabetically – or you can print off the pages that are relevant to you.

How to print off these instructions

If you have opened this PDF document with Adobe Acrobat:

Go to Acrobat Reader's symbol list and click on the menu commands "File > Print".

If you have opened the PDF document through your Internet browser (Chrome, Firefox, Edge, Safari...):

Go to the symbol list or to the top of the window (varies by browser) and click on the print icon or the menu commands "File > Print" respectively.

In both cases, the print dialogue box will then open. This box contains a section titled "**Pages to be printed**" – here you can choose whether you want to print all pages **or just certain pages of the document**. Click on the "Pages" option if you want to print **select pages only**. Now enter the **pages that are relevant to** you according to the table of contents **into the adjacent text field** for page numbers: for example, if you enter "6–10", you will only print the channel list for the TV start package, sorted by channel number.

If you want to print off the lists for premium packages, simply repeat this process using the relevant page numbers.

Key

Comeback TV lets you watch TV shows up to seven days after they were broadcast (30 hours with TV start). ComeBack TV also enables you to restart, pause, fast forward, and rewind programmes.

HD is short for High Definition and denotes high-resolution TV and video.

Get the new **Sunrise TV app** and have Sunrise TV by your side at all times, including everything that makes Sunrise Smart TV so unique: Live TV in HD, Comeback TV, programme tips, channel lists, and all of your cloud recordings. For customers with a Sunrise mobile subscription, data used by the Sunrise TV app while in Switzerland is included as part of the cost of the subscription.
