	Services
Basic features	<p>With a Smartwatch, you can make calls and surf the Internet using the 3G and 4G Sunrise mobile network. Your smartphone doesn't even have to be nearby for this because the Smartwatch connects to the Sunrise network on its own as soon as the smartphone moves out of Bluetooth range or the Smartwatch moves outside the range of a WLAN network.</p> <p>Basic Smartwatch features in combination with the extra SIM watch option:</p> <ul style="list-style-type: none"> <li>- Same phone number as the smartphone</li> <li>- Can support two simultaneous incoming or outgoing calls</li> <li>- Sends and receives e-mails</li> <li>- Sends and receives SMS messages and notifications from third-party apps, provided the smartphone is turned on</li> <li>- All of the above features are only supported abroad (roaming) if there is a Bluetooth connection to the smartphone or if the watch can be connected to a WLAN network</li> </ul>
Mobile data and calling	Data usage and calls with the Smartwatch eSIM will be charged to the connected mobile subscription. The terms of the connected mobile subscription apply.
Requirements	<p>Mobile postpaid subscription with a current rate plan: Sunrise Freedom, Sunrise Freedom Young, Sunrise Mobile Unlimited, Mobile start, classic, We Mobile</p> <p>The option cannot be used with a Sunrise Prepaid subscription or older Sunrise mobile subscriptions. However, you can switch to one of the above-mentioned subscriptions anytime.</p> <p>Devices:</p> <ul style="list-style-type: none"> <li>- Apple Watch with the latest OS version (watchOS 4.2 or higher)</li> <li>- iPhone 6 or newer model, with iOS 11.2 or higher</li> <li>- Samsung Galaxy Watch</li> <li>- Samsung Smartphone, Android OS 5.0 or higher (RAM 1.5 GB and above) or iPhone 5 and above, iOS 9.0 and above. For Galaxy Watch activation with an iPhone or a non-Samsung Android device, please visit a Sunrise shop.</li> </ul>

	<b>Contract duration</b>
Minimum duration	1 month
Cancellation	The option can be cancelled at the end of each month with a notice period of 60 days.
Activation	Same-day activation of the option after sign-up.
Billing	The basic fee is billed after activation. The basic fee is automatically billed on a monthly basis until the option is cancelled. If you register during a billing month, the basic monthly fee will be charged on a prorated basis.
	<b>Miscellaneous</b>
Multiple-device support	You can link up to 5 extra SIM watch options to your subscription so that you can use up to 5 Smartwatches. The number of extra SIM watch options that can be linked to your subscription is decreased by the total number of extra SIM surf & talk, extra SIM watch options, and Freedom share data options already linked to the subscription.
Emergency call	<p>With the Smartwatch and an activated extra SIM watch option, emergency calls and emergency callbacks from the emergency center are generally supported.</p> <p>If several Smartwatches are linked to the same Smartphone and phone number, a return call to a Smartwatch cannot be made, if a call is already active from one of the other linked Smartwatches.</p>
Activation	You can activate the extra SIM watch option either directly on the Watch App on the smartphone or in My Sunrise. Of course, you can also visit your nearest Sunrise center or call our service hotline and let one of our agents assist you.
Device plan	<p>With the extra SIM watch option, you can purchase a Smartwatch in installment payments with no interest or fees. Each device is available starting at a CHF 1.00 down payment.</p> <p>The installment payment agreement will be automatically cancelled when the extra SIM watch option is cancelled. If the device is not yet paid off at that point, all outstanding installments will become due immediately.</p>
