	Special usages
Special and short numbers	Calls made from the roaming country to normal special and short numbers within the country, including value-added services, are charged at the standard rate and not included in the roaming options.
Toll-free numbers	Calls made from a foreign country to "toll-free numbers" in the same country or another country are charged at a higher rate for special numbers and are not included in the roaming options.
Satellite roaming	<p>Roaming over satellite connections, such as on airplanes and cruise ships, is charged at higher rates.</p> <p>Only satellite connections via Call/SMS/MMS are possible. Data roaming is blocked.</p>
Forwarding to the Sunrise mailbox	If a message is received in your mailbox during a stay abroad, the costs of the incoming call to the mobile hardware and the subsequent call made by the mobile hardware to the mailbox are included in the roaming options.
Call forwarding	When a call is forwarded from a roaming country in Region 1 (e.g. to a landline in Switzerland), both the incoming call and the forwarded outgoing call are included in the roaming options.
Playing back voice messages	Calls made from a foreign country to the Sunrise mailbox in order to listen to voice messages are included in Region 1; otherwise, they are charged at the standard roaming rate.
