	Use
Available to	For all current and older Sunrise prepaid rates. Not available for "Sunrise Prepaid Unlimited" tariff
Registration	Text keyword BUDGET10 / BUDGET15 to 5522 or log into " <a href="#">My Sunrise</a> "
Activation	The option will be activated immediately after SMS message registration.
Duration	1 month. The duration is determined based on the number of calendar days in the month of activation.
Renewal	At the end of each month at midnight, the option will renew for another month as long as sufficient credit balance is available.  If, at the time of option renewal, the balance is not sufficient, the option will be put on hold for one month. If the account is topped up within this time period, the option will be automatically reactivated. Otherwise the option will be permanently deleted and will have to be activated again if needed.
Using up individual included credit balances	If the included credit for calls, SMS, or data connections is used up before one month is up, these services will be charged at the standard rate until the end of the duration period (see factsheets for the respective prepaid rates). Only then will the option be renewed.

	Use
Special and short numbers	<p>Calls to special and short numbers are charged at special rates. See <a href="#">the price list for special numbers and short numbers</a>.</p> <p>084x (0840, 0842, 0844, 0848): Same rate for shared cost numbers, regardless of the location in Switzerland from which the phone call is made, at most 7.5 cents per minute (plus VAT, maximum cost for a domestic connection to a landline network). Final amount per call is rounded to 10 cents.</p>
Toll-free numbers	0800: Calls to these numbers are free in Switzerland
Additional data credit balance	When the data credit balance for mobile Internet runs out, additional data credit of 500 MB for 4G+ high-speed Internet can be activated at any time for CHF 5.00. The option is not automatically renewed. Data volume that is not used up within one month cannot be carried over to the next month. Sign up by SMS: Text SPEED to 5522
No transfer	If your included credit balance is not used up completely by the end of the month, it will expire. It cannot be transferred to a newly activated option.
Usage control	You will be notified by SMS about usage of your individual included credit balances. Querying remaining balance: *136# plus call button
Switch	<p>You can switch to a larger/smaller option at any time. If a balance is present in the included volume before the switch, it should be used up before the new option starts or it will expire one month after registration/reactivation.</p> <p>It is not possible to subscribe to multiple budget options at the same time. If, during the duration period of a certain option, another option is selected, the first option will be automatically deactivated once any remaining included volume has been used up.</p>
Logout	By sending an SMS to 5522 with the text BUDGET10 STOP / BUDGET15 STOP or in "My Sunrise". Any unused included credit balance can be used up before the current month ends.
