Mobile Internet in Switzerland

Mobile Internet in Switzerland	
Data volume	Unlimited
5G high-speed data	Unlimited
Maximum speed	5G network (high speed) 1 Gbit/s (download) and 300 Mbit/s (upload)
Note	<p>The transfer speeds represent the best possible performance and cannot be guaranteed. Actual Internet speed depends on factors such as topography, network coverage, distance to the transmission tower, signal strength inside/outside buildings or other factors and may be slower than the specified maximum Internet speed.</p> <p>Excessive use of mobile network services can impair network performance, which has a direct effect on other mobile network participants' user experience. In order to prevent this situation, Sunrise reserves the right to temporarily deprioritize data traffic of customers who reach a certain threshold. This generally only becomes noticeable when carrying out more data-intensive activities and only on antenna cells that are temporarily overloaded. Please visit our website for more information.</p>

Calling in Switzerland	
Calls to the Sunrise mobile network	Unlimited Calls to special numbers (e.g., 084x, 090x, 18xx), short numbers and value-added services are excluded.
