| Service | |
|-----------------------------|--|
| Coverage | The costs incurred by misuse of the phone or data connections after theft or robbery of the hardware are covered by the plan. |
| Coverage amount | CHF 3,000 per event |
| Deductible | None |
| Price | CHF 1.00 / month |
| Insured events | |
| Insured event | Call misuse (calling, data connections) following theft or robbery is covered. Theft is defined as the seizure of the insured hardware, including bag theft and break-in theft, with the intention to unlawfully assign ownership to oneself or a third party. |
| Insured damages | Costs charged by a telecommunications provider for payment of call and data connection costs are considered to be damages. |
| Uninsured events | Uninsured events include (a) unnoticed theft from property without evidence of forced entry or exit, (b) theft from a vehicle when there is no evidence of forced entry and the insured hardware was not reasonably hidden, or (c) theft when the insured hardware is left somewhere unattended so that it is readily accessible to the public, (d) when the hardware is entrusted to someone other than the person eligible for benefit and is then misused by this person. |
| Claim settlement | |
| Insured phone number | The phone number listed in the insurance policy is the insured number. |
| Person eligible for benefit | The owner of the phone number recorded in the insurance policy is eligible for benefits. If the owner changes, the insurance is automatically transferred to the new owner. |
