### Prepaid rate

	Costs
Basic monthly fee	None
Minimum duration	None
Usage charge	CHF 2.50 per day of use
Day of use, billing	<p>One day of use lasts 24 hours starting at the time of the first use. The fee is charged only when the service is actually used. No automatic renewal.</p> <p>Example: First use at 11:45 a.m. Starting at this time, the included services can be used until 11:44 a.m. on the following day.</p>
Included services	During one use day, the following can be used within Switzerland: unlimited calls, SMS, MMS and unlimited 4G+ surfing under the following conditions.
Activation fee SIM card or eSIM	The activation fee, including SIM, is CHF 19.90. The SIM contains a free credit of CHF 20.00. With a prepaid bundle, there will be a free credit of CHF 5.00.
	Mobile Internet in Switzerland
Data volume	Unlimited
Data speed	4G+ High Speed up to 300 Mbit/s (download) and 150 Mbit/s (upload)
Information about data speed	<p>The transmission speeds listed represent optimal performance and are not guaranteed. Actual Internet speed depends on factors such as topography, network coverage, distance to the transmission tower, signal strength inside/outside buildings, or other factors and may be slower than the specified maximum Internet speed.</p> <p>Excessive use of mobile network services can impair network performance which has a direct effect on other mobile network customer's user experience. In order to prevent this situation, Sunrise will temporarily deprioritize data traffic of customers who reach a certain limit value. This generally only becomes noticeable when carrying out more data-intensive activities and only on antenna cells that are temporarily overloaded. More information you will find on our <a href="#">website</a>.</p>

Calling in Switzerland	
Calls to all Swiss landline and mobile networks	Unlimited  This does not include calls to special and value-added service numbers (such as 18xx, 084x, 090x).
SMS/MMS to all Swiss networks	Unlimited
Incoming calls	Free
Special and short numbers (08xx, 090x)	Calls to special and short numbers are charged at special rates. See the <a href="#">price list for special and short numbers</a> .
Blocking value-added service numbers	Chargeable value-added numbers (090x numbers) can be blocked on request.
Call forwarding	To the Sunrise mailbox free of charge. Otherwise, you will be charged the amount due if you called the forwarding number from your own phone.

Calling to foreign countries (international)	
International calls	Costs for international calls are country-specific. See <a href="#">prices for international calls</a>
International SMS/MMS	CHF 0.25 per SMS CHF 1.00 per MMS
Call billing increments	By the minute. Every partially used minute will be charged as a full minute.
Connection setup fee	None
Special and short numbers	Connections to special numbers, short numbers, and value-added services abroad are excluded from the standard rate and included calling time credit. These connections may be charged at a higher rate. See <a href="#">international VAS number price list</a> .  Note: Calls from Switzerland to specific value-added services or special numbers abroad can be blocked.
Toll-free numbers	Calls to foreign toll-free numbers are charged at the standard rates for calls to foreign countries. A fee may be charged for foreign toll-free numbers, even if these numbers are marked as being provided free of charge.
Calls to subscribers through a satellite connection	Calls made from Switzerland to subscribers with a mobile phone number where the call is connected through a satellite (for example, when the subscriber is on a cruise ship) are charged at the normal Swiss domestic rate. The subscriber receiving the call will pay the satellite roaming rate for the incoming call (see roaming price list).

Calling to foreign countries (international)	
Calls to subscribers with a satellite number	Calls made from Switzerland to a satellite number (e.g. with area code 0087 or 0088) are charged at higher per-minute rates of up to about CHF 16.00 depending on the satellite network used.
Call forwarding abroad	Calls forwarded to a foreign phone number will be charged at the standard rate for phone calls made to foreign numbers.
Calls and mobile Internet abroad (roaming)	
Prepaid direct roaming	<p>Prepaid direct roaming (calling without callback) makes it possible to establish a direct connection while in a foreign country where Sunrise has a partner facilitating this service. Standard roaming rates apply.</p> <p>In the few countries where Sunrise prepaid direct roaming is not available, calls can be made as follows: *111* + country code + phone number + # and then the call button (e.g. telephone receiver).</p>
Roaming standard rates	<p>The rates depend on the country where you are located (Regions 1-3). If the subscription concerned does not have credit or the credit has been used up, the following services will be charged at the standard roaming rate:</p> <ul style="list-style-type: none"> <li>- Outgoing calls</li> <li>- Incoming calls</li> <li>- SMS/MMS</li> <li>- Mobile Internet and data usage</li> </ul> <p>See <a href="#">roaming price list</a>.</p>
Call billing increments	By the minute. Every partially used minute will be charged as a full minute.
Connection setup fee	None
Special and short numbers	Calls abroad made to special numbers, short numbers, or premium rate services typical for the respective country may be charged at a higher rate. Such calls are not included in the available discretionary calling time credit.
Toll-free numbers	Calls made from a foreign country to a toll-free number in the same foreign country or in another country are charged at a higher rate, just as special numbers are, and they are not included in the available discretionary calling time credit.
Satellite roaming	<p>Roaming over satellite connections, such as on airplanes and cruise ships, is charged at higher rates.</p> <p>Only satellite connections via Call/SMS/MMS are possible. Data roaming is blocked.</p>
Call forwarding	When a call is forwarded from abroad (e.g. to a landline connection in Switzerland), both the incoming call and the forwarded outgoing call are charged at the standard roaming rate.

Calls and mobile Internet abroad (roaming)	
Forwarding to the Sunrise mailbox	<p>If a message is received in your mailbox during a stay abroad, the cost of the incoming call to the mobile device and the cost of forwarding from the mobile device back to the mailbox in Switzerland are charged at the standard roaming rate.</p> <p>For deactivating call forwarding to your mailbox: #145# For activating call forwarding to your mailbox: *145#</p>
Listening to voice messages	<p>Calls made to the Sunrise mailbox from abroad in order to listen to voice messages are charged at the standard roaming rate.</p>
Data billing increments	<p>Region 1: in 100 KB increments Region 2: in 100 KB increments Region 3: in 20 KB increments</p> <p>Increments are billed per session.</p>
Cost control for data connections	<p>Every time you go abroad, you will automatically receive an SMS informing you of the applicable roaming rate.</p>
Contract duration, credit	
Registration and activation	<p>You must register in person at a Sunrise shop and have a valid passport or ID card with you. The SIM is not activated until the purchaser is lawfully registered. We reserve the right to decline the sale or registration of several SIM to the same person.</p>
Migration	<p>Customers with a different prepaid rate can change via SMS with Text Unlimited to 5522 to Sunrise Prepaid Unlimited.</p>
Where/how to reload	<p><u>In Switzerland:</u> With a credit card, at ATM machines, at post offices, at Post ATM machines, through Postfinance accounts, at SBB ATM machines, via Sunrise billing, at any Sunrise Shop, and at many retail locations (including Migros, Coop, Denner, Interdiscount, Fust, gas station shops, newsstands and specialized retailers)</p> <p><u>Abroad:</u> With your credit card via <a href="http://sunrise.ch/creditcard">sunrise.ch/creditcard</a>, with a reload code, or via Sunrise billing</p>
Checking your balance	<p>Key combination *121#</p> <p>In certain situations, there might be a time lag between the time the volume is used and the time the charge is applied.</p>
Time-delayed billing	<p>In certain situations, there might be a delay with billing for the connection costs (such as with roaming). This may lead to a negative balance, which always must be paid.</p>
Cancellation due to non-use	<p>If a prepaid mobile connection is not used for 12 months, Sunrise reserves the right to suspend the mobile connection with no advance notice. If the customer does not request reactivation of the connection within the next six months, Sunrise reserves the right to cancel the contract and reclaim the phone number so it can be reissued.</p>

Contract duration, credit							
Account balance	<p>The disbursement of prepaid balances is generally not possible. This also applies to balance transfers to another prepaid product. Disbursements due to the deactivation of a connection are the exception. There is no right of disbursement regarding initial balances, refill activities, and bonus balances. The processing fee is CHF 30.00 per phone number, which will be deducted directly from the prepaid balance to be disbursed.</p> <p>Prepaid card status</p> <p><u>Active</u> Last chargeable use within the last 547 days (18 months) So that the Sunrise prepaid number always remains active, it must be used. Make a call, send an SMS, browse using mobile Internet, or add credit.</p> <p><u>Deactivation</u> Last chargeable use more than 548 days (18 months) Sunrise has the right to cancel the prepaid contract. The phone number in question is returned to Sunrise without compensation and is reassigned.</p>						
Switching a prepaid plan to another provider (phone number porting)	A prepaid number can be ported to another carrier at any time. In this case, the prepaid plan will be canceled automatically. The remaining prepaid balance can continue to be used until the number is ported; after that it expires.						
Transferring a SIM to another person is prohibited	If a prepaid SIM is transferred to another person, we will continue to notify the responsible authorities, upon their inquiry, of the name and address of the initial purchaser. If a criminal act is committed using a transferred prepaid SIM, the initial purchaser can potentially be prosecuted for complicity, aiding and abetting or obstruction of justice.
